Executive Committee

Traditionally our membership attempted to cover the five District Council areas, and all phases, in its composition. Since we revised the Constitution in 2013 we have been looking to recruit a member from the majority (ideally all) of our school partnerships, including at least one Special School representative. As you can see we have vacancies! If you are willing to volunteer to join us, please offer your name under item 5 of the AGM, or contact the Chair or Secretary before, or after, the meeting. Otherwise if your Partnership of schools is not represented please pass this information back through partnership Chairs and ask them to actively look for a representative. A 'virtual' link person would be better than none at all and as we are currently only meeting virtually this would work well.
